

WILL THERE BE ANY COMMUNITY ENGAGEMENT OR CONSULTATION ON THE PROPOSAL?

YES!

Absolutely. The Village on Blain Team want to ensure that the community understands our proposal – why we need to expand, how we will propose to expand and the benefits to community. So we are doing something different. There will be two rounds of face-to-face consultation.

Our first sessions will be prior to us even lodging our development application. That's because we want you to hear it from us first and not through the grapevine. This initial consultation will occur on:-

**DROP-IN SESSIONS - DROP IN AT ANY TIME
TO TALK TO THE TEAM.**

**MONDAY 18 NOVEMBER FROM 1PM - 7PM AND
TUESDAY 19 NOVEMBER FROM 8AM - 10AM**

**BOTH SESSIONS WILL BE IN
THE BLACKWATER SHOPPING CENTRE.**

Once our application is lodged with Central Highlands Regional Council, a further formal public notification period of 30 business days will also be required.

It is our intention during this period to have further sessions with community. These dates are yet to be determined but we will keep the community informed and update our website with any further details.

We have also dropped flyers into the letterboxes of our closest neighbours and have loaded our website with relevant information.
